

DICK’S LIMITED WARRANTY

DICK’S warrants the products described above to be free from defects in workmanship and materials as follows:

Who is Covered?

This limited warranty (“Limited Warranty”) covers only the person who first purchased the product.

This Limited Warranty expires at the time of transfer and is not transferable to anyone else.

Proof of purchase is required to make a warranty claim.

What the Warranty Covers

This Limited Warranty covers defects in materials and workmanship.

What the Warranty Does Not Cover

This Limited Warranty does not cover:

- Expendable items, including by way of example only and not by way of limitation: batteries, light bulbs, fuses, zippers, tires, belts, shoe soles, fabric, and other items that experience wear as a result of normal use.
- Damage through improper use, negligence, abuse, misuse, transportation, acts of nature, or accident, including failure to perform routine maintenance or follow the assembly and/or operating instructions supplied with the product.
- Products used in commercial or rental applications.
- Products that have been modified using replacement parts that were not provided by Dick’s.
- Defects or damage caused by using third-party parts or services.

This Limited Warranty does not cover any consequential or incidental damages of any kind, including transportation to get warranty service, loss of time, and loss of use. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you.

What the Period of Coverage Is

This Limited Warranty lasts for a period of one year from receipt of the product (unless a different warranty period is noted in Appendix 1). Any implied warranty arising under state law is limited in duration to the one-year period (or other noted time frame) of this Limited Warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

How to Make a Warranty Claim

You can make a warranty claim by bringing the product to any store location of the chain the product was purchased as long as: (1) it meets the warranty criteria, (2) is within the warranty period (one year, unless noted differently in Appendix 1), (3) you have a valid proof of purchase and provide that to the store at the time of making the warranty claim, and (4) you are the original purchaser of the product. If you are unable to find your valid proof of purchase, please contact 1-877-846-9997 and a customer service representative may be able to assist.
