### Local Option Tax Rates

Florida law authorizes counties to levy a number of local option taxes, including discretionary sales surtaxes and local taxes on transient rentals. The *Discretionary Sales Surtax Information* (Form DR-15DSS) and *Local Option Transient Rental Tax Rates* (Form DR-15TDT) provide the local option tax rates for each county and are available at [floridarevenue.com/forms](http://floridarevenue.com/forms) in the Sales and Use Tax section.

Discretionary sales surtaxes are reported and paid to the Department of Revenue. However, counties imposing a local option tax on transient rentals elect whether to collect the local transient rental tax or for the Department of Revenue to collect the tax.

Many counties have elected to collect their local option transient rental taxes. **Owners of transient rental property should contact your county taxing agency to determine if your county imposes local option transient rental taxes and if you are required to report and pay these local option taxes directly to your county taxing agency or to the Department of Revenue.**

- **If your county locally administers transient rental taxes, owners of transient rental property will remit two forms.** The local option transient rental taxes will be remitted to the county on one form and the state 6% sales and use tax, plus any local discretionary sales surtax, will be remitted to the Department on your sales and use tax return.
- **If the Department of Revenue administers transient rental taxes for the county, owners of transient rental property will report the state 6% sales and use tax, plus any local option taxes (transient rental taxes and local discretionary sales surtax), on your sales and use tax return.**

### Florida Annual Resale Certificate

Your *Florida Annual Resale Certificate for Sales Tax* (Annual Resale Certificate) allows you or your representatives to buy or rent property or services tax exempt when the property or service is resold or re-rented. You **may not** use your Annual Resale Certificate to make tax-exempt purchases or rentals of property or services that will be used by your business or for personal purposes. Florida law provides for criminal and civil penalties for fraudulent use of an Annual Resale Certificate.

**As a seller**, you must document each tax-exempt sale for resale using one of three methods. You can use a different method each time you make a tax-exempt sale for resale.

1. Obtain a copy (paper or electronic) of your customer's current Annual Resale Certificate.
2. For each sale, obtain a transaction authorization number using your customer's Annual Resale Certificate number.
3. Each calendar year, obtain annual vendor authorization numbers for your regular customers using their Annual Resale Certificate numbers.
